

Neenah Rotary

May 2001

The Neenah Rotary Club is a service organization of business and professional men and women united in fellowship worldwide who conduct local and international humanitarian projects, encourage high ethical standards in all vocations, and work toward understanding and peace.

Dear Rotarians,

As I enter the final two months as your club president, I am again amazed by the enthusiasm and passion of our membership for Rotary events. The annual "Spring Fling" was a great success, and thoroughly enjoyed by everyone who attended. A big thank you to the "Spring Fling" committee! What a fun way to raise money for our club's foundation to give scholarships to Neenah youth! This was also an opportunity to share Rotary, and there were some non-Rotarian guests bidding on auction items and enjoying the evening, too. Maybe our events can be a recruiting tool, too!

In May, our district is holding the annual district convention, and in June, Rotary International will hold the International Convention. It reminds me of the "connection" of our service organization, and the scope of what the greater Rotary organization can accomplish. We are not just a Neenah service club. We are part of a larger organization seeking "service above self."

ANNUAL SPRING FLING AUCTION A SUCCESS

In addition to raising money for student scholarships, the annual Spring Fling is a great opportunity for fellowship and camaraderie among Rotarians and their guests. Here, Rotarian Dean Moede (center) and his wife Judy enjoy the evening with guests.

Spring Fling Committee members Dave Kohlmeyer, Bobbie Hackbarth, and Tammy Williams register fellow Rotarians Pete Weyenberg and Kathy Westover. Also on the committee were Wally Bergstrom and Sheila Jenkins. Thanks so much to the committee, Thom Ciske and his son Andy (who created the tickets for the event and raffle), and all of you who donated and purchased auction items.

Jim Webb, Jr. played his annual role of selling "spins" for raffle tickets to win a gas grill.

Joe and Jackie McGrane were the highest bidders on one of the many live auction items available.

Timber Rattlers Game will serve as May 16 Rotary meeting

Wednesday, May 16 at noon is Fox Cities Rotary Day at the Timber Rattlers! This event will take the place of our normal Thursday, May 17 meeting. It will be a great opportunity to enjoy lunch, a game vs. Fort Wayne, and fellowship with area Rotarians. Mark your calendars now, and plan to invite a prospective Rotary member. Dean Moede will be passing around a sign-up sheet.

Seafood Fest is September 14 and 15

Our largest fundraiser of the year is scheduled for Friday, Sept. 14 and Saturday, Sept. 15. **WE NEED ALL NEENAH ROTARIANS TO WORK ONE OR MORE SHIFTS AT THIS EVENT!** Write it on your calendars today, so that you don't inadvertently schedule a trip to the cottage or something else that weekend. Not only is Seafood Fest our biggest money maker, it is one of our biggest goodwill builders. You will work side by side with other Neenah and Menasha Rotarians and many other volunteers as we spread goodwill to our community and **put service above ourselves**. Here's the clincher...it's fun, too! Don't miss it!

Pat Mahoney, Mr. Seafood Fest, has announced that Barbara Van Gorp has volunteered to be the Neenah club's Personnel Chairperson. Let's make Barbara's job easy by filling the shifts quickly this year. It's not too early to plan.

Club Meetings

May 3

Invocation..... Dave Wollangk
Greeter..... Tim Kinne
Program Coordinator..... Bobbie Hackbarth
